stylist's own ::: second edition

i'm pretty excited to be part of this again! the second edition of stylist's own. i'm working on some special super fancy one of a kind pieces right now. here's a sneak peek!

i've been working on some new silk and leather belts... this one is made of croc embossed black leather, silk velvet with silver stripes, black chain, and bone claws. the only thing that really sucks is that i missed the first edition because i was in toronto for my sister's wedding, and i'm also going to miss this edition! boohoo! one of a kind exclusive things??? i want to shop! but don't feel too bad for me. i'll be in paris. cough. enjoy the show! it's going to be fantastic.
